

C2E Track

The Career & Credential Exploration Track assists with establishing clear goals, evaluating training options, and building an action plan. Participants will complete personalized career development assessments of occupational interest, aptitude and work values. They will learn how to use certification finder web tools to identify licensed occupations and a military occupational code translator.

*CRS: Complete a comparison of technical training institution options

DOL Employment Track

The Employment Track assists members seeking employment with resume writing, interviewing skills, networking, labor market information and federal employment.

*CRS: Complete targeted resume or provide verification of employment

Boots to Business Track

Airmen pursuing self-employment in the private or non-profit sector will learn about the challenges faced by entrepreneurs, the benefits and realities of entrepreneurship, and the steps toward business ownership. Upon completion of the Entrepreneurship track, service members will have developed the initial components of their business plan.

After completing an optional eight-week online course, Airmen and veterans will be connected with a small business owner to mentor and guide them through their business start-up.

*CRS: None

TAP Virtual Curriculum

The Department of Defense introduced virtual delivery of the Transition curriculum in <https://www.tapevents.org/courses>, Transition Online Learning (TOL). This resource provides service members who are unable to attend TAP training in person in a “brick and mortar” classroom with the means to obtain online instruction. Members and their families can participate in virtual curriculum at any time during their military career; however, only certain categories of personnel can use virtual curriculum to fulfill mandatory transition requirements.

Transition Assistance Mandates

Through the mandated components of TAP, separating service members have access to an array of workshops, assessments, and services to prepare them for the transition from active duty to civilian life. Mandatory components include:

1. Individualized Initial Counseling
2. Pre-separation Counseling
3. VA Benefits and Services Briefing
4. DoD Day
5. DOL Employment Fundamentals of Career Transition (EFCT)
6. Two-Day Track
7. Capstone

Initial Counseling

This first step assesses service member goals/needs and assigns a Tier level (I-III) based on individual preparedness for transition. Member learns what must be accomplished and provided resource information. Must be accomplished NLT 365 days from separation.

Pre-separation Counseling

Completion of the DD Form 2648 Checklist, members are informed of entitlements/benefits they may be eligible for to assist them, family members and significant others with the transition to civilian life. Pre-separation counseling should be accomplished early in the transition process but NLT 365 days from separation.
